

## Land Settlement At Squaw Valley Finally Is Reached

### Work Delayed But Now In Full Swing As Land Obtained

An agreement between the California Olympic Commission and Wayne Poulson, Squaw Valley landowner, involving the acquisition of Poulson lands in the valley by the State of California for the construction of 1960 Olympic Winter Games facilities, was reached Friday.

The California Olympic Commission authorized its chairman, Charles R. Blyth, to execute an agreement evolved during two months of negotiations with Poulson, his wife, Gladys K. Poulson, and their Squaw Valley Land and Livestock Company.

The Poulsons have accepted the settlement. It was drawn by Deputy Attorneys General Raymond H. Williamson and Marcus Vanderlaan, in consultation with Archibald McDougall, Sacramento attorney representing the Poulsons; H. D. Thoreau, executive secretary of the commission; Louis J. Heinzer, attorney for the state department of finance; and E. Elmore Hutchison, consulting engineer for the commission.

The agreement gives the commission title to 28.2 acres of land for which it will pay \$23,777 to the Poulsons and \$37,355 to the Livestock Company. A two-year lease on 148.6 additional Poulson acres will involve payment of \$8,300.

Price negotiations were based on valuation figures submitted by independent appraisers engaged by the commission, and others representing the Poulsons.

Thoreau emphasized that the settlement enables the commission to carry out its policy of constructing permanent Olympic installations only on public-owned lands.

The permanent facilities to be built on the lands purchased from the Poulsons, together with other structures being built on federal lands under a 30-year lease to the commission, will become part of the California State Park System after the games for permanent use and enjoyment by the public.

Acceptance of the agreement was recommended by State Finance Director John M. Peirce and Robert H. DiGiorgio, vice president of the Olympic organizing committee, both of whom were present at Friday's meeting.

The settlement will result in dismissal as to the Poulsons and their company of the commission's condemnation suit pending in the Placer County Superior Court.

The settlement gives the State title to 10.2 acres of land on which the Commission is constructing a flood-control reservoir and channel, under a court writ issued last September granting immediate possession; 5.5 acres on which a ski jump outrun, a large spectator center (restaurant and lounge), as well as roads and flood-control channel, will be built; and permanent easements covering 12.5 acres of land to be used to widen, improve and in some cases realign the main road into Squaw Valley from Highway 89, and for other construction purposes.

The leased areas comprise 144.1 acres to be utilized for a public parking area on compacted snow, and a 4.5 acre parcel adjacent to the ski jump outrun and spectator center, to provide sufficient room for spectators to watch the ski jumping and circulate to other facilities.

At Friday's commission meeting, Blyth was also authorized to accept, on behalf of the state, a revised lease covering 360 acres of Tahoe National Forest lands on which most of the Olympic facilities will be built. The lease, for a period of 30 years, includes acreage on which the Federal Government has authorized construction of an 11,000-seat Olympic ice arena.

Other Commissioners in attendance were Walter Barrett, Truckee; S. W. Royce, Pasadena; and A. Andrew Hawk, Los Angeles.

### GIRL SCOUT COUNCIL HELD AT YERINGTON

The regular Sierra Nevada Girl Scout Council meeting was held on May 20th at Yerington, Nevada. The Girl Scout adult volunteers enjoyed a tour of the Anaconda Copper Mine operations in Weed Heights followed by a luncheon served by the hostess Mason Valley Neighborhood. Five-year awards were presented to Mesdames Frank Giovannoni and Dave Rose for at least five years of continuous service in Girl Scouting.

The next council meeting will be held in Carson City in October.

### WIFE OF MINISTER TO SPEAK AT MEET

The next meeting of W.S.C.S. will be held at 1:30, June 4, in the Community Methodist Church, Parsonage. Mrs. Howard Busching, wife of the minister of the First Methodist Church of Reno will be the speaker. All those interested are cordially invited.

Student speaker, Frances McGinn, subject: Humanities and the Sciences, Part II.

Closing address: Sharon Quinn.

Closing address: Sharon Quinn.

### Veterans To Pay Honor To Departed

Veterans will meet at the Veterans Memorial building at 9:30 a.m. tomorrow to form an honor firing squad to pay homage to their departed comrades at the Truckee cemetery. All local ex-service men are urged to turn out on this occasion. In the past a pitifully small number has responded and Adjutant Frank Quilici is asking for a good representation this year.

The cemetery has been cleaned thoroughly by the committee headed by H. L. Owens and even the flower containers were removed. Those taking flowers to the cemetery are being reminded to take containers and pots for their flowers if they desire.

While most stores will remain open Friday, schools and public offices will be closed in observance of the holiday.

### POSTAGE RATES TO ADVANCE AUG. 1ST

A good suggestion, if you have a lot of letter writing to do in the future, would be to get as much of it done as possible before August 1.

On that date the postage rates will take a jump with first class letters going to 4 cents an ounce and airmail letters to 7 cents.

President Eisenhower this week signed the bill boosting postage rates to provide, among other things, a pay boost for postal employees of 10 per cent retroactive to the first of this year.

The three cent stamp, inaugurated during the first world war, as an emergency measure to raise money, never relieved the emergency and may soon become collector's items.

### WORK ON HIGHWAY STOPPED ON HOLIDAY

No highway construction work will be done in District 3 over the coming Memorial Day week end although motorists are being warned proceed cautiously in the work zones.

Luther pass on the south side of Lake Tahoe which has been closed by snow since last December, has been opened for passenger cars although no house trailers or heavy trucks are permitted.

### DONNER SCHOOL WILL NOT HAVE HOLIDAY

With the exception of the Donner Trail school, all the schools in the Tahoe-Truckee Unified District will enjoy vacation tomorrow, Memorial Day. The reason for the summit school being excepted is that they missed one day during the bad weather and in order to reach the required 175 days, it is necessary to hold classes Friday.

### DISTRICT OFFERS TO AID LAWN OWNERS

To encourage local home owners in developing yards with lawns, the Truckee Public Utility District is offering of 50 per cent on all excess water used above the minimum. The plan is offered only to private homes and owners must sign up for the discount at the office of the district, C. Edmund, manager, said.

### Chamber Request Seeks Attorney, 2 More Deputies

#### Other Action Taken Here To Improve Local Services

The directors of the Truckee Chamber of Commerce yesterday at their weekly luncheon at Smart's went on record requesting District Attorney Harold Berliner to have a deputy in Truckee at least once a week to serve the needs of this fast growing community.

At the same time, the directors agreed to ask Berliner to take steps to see if a permanent attorney can be obtained to practice here.

A donation of \$25 was voted for the Truckee baseball club, which is currently heading the Sierra Nevada league.

C. Edmunds, manager of the Truckee Public Utility District, said the district would have the white cross marking the site of the Graves cabin at Donner Lake removed and the chamber will have it repainted.

A discussion on an Olympic office here was held but no action taken at the meeting.

The chamber agreed to cooperate with the Nevada County Planning Commission on the problem of finding locations for house trailers in this area.

N. F. Dolley, chamber president, presided at the meeting.

At their meeting last week, directors of the Truckee Chamber of Commerce unanimously adopted a resolution urging the appointment of two additional deputies sheriff in the eastern portion of Nevada County.

The resolution pointed out the fact that the area is filled with new residents and thousands of transients brought here by the unusually heavy construction work in the district.

The three deputies now on the job are required to work all hours of the day and night, the resolution said, without time off. Even then, it is impossible to provide the police protection which the area requires.

Chamber President N. F. Dolley said Sheriff Wayne Brown has expressed himself as wholeheartedly in favor of the additional men and has offered to work toward that end.

Supervisor H. G. Loehr also said he favored the increase in police personnel and will lend his assistance before the board of supervisors when the matter is presented.

### STEAD OFFICIAL IS ROTARY SPEAKER

Major Joseph A. Gall, operations officer at Stead Air Force Base was guest speaker at the regular meeting of the Truckee Rotary Club Monday night at Donner Lake Lodge. He was accompanied here by Ed Grant, a former Truckee Rotarian. Dick Swanson presided at the meeting.

Major Gall's work involves training helicopter pilots and in this phase of training the men learn all the essentials on rescue, supply, etc. The major gave an informative talk on the operation of helicopters and the training of pilots. He pointed out that any person may call upon the base for assistance in event of an emergency and he urged all to do so.

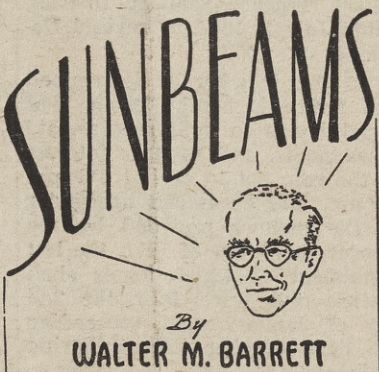

Guests included Mel Pinkham of Eureka, Bob Wray of Tahoe City and Assemblyman Francis Lindsay of Loomis. There will be no meeting next Monday but the club will join Nevada City and Grass Valley at a meeting between Nevada City and Grass Valley Tuesday, June 3.

### SAUNDERS TO OPEN RAMSHEAD TODAY

Mr. and Mrs. Art Saunders this week announced that they are opening their Ramshead Restaurant near the east end of Donner Lake tonight. During the winter the Saunders operated a resort on the summit but are glad to be back at their popular restaurant for the summer.

#### New Schedule

Richard Walker, Nevada County Sanitarian will not be in the county on Mondays and Tuesdays during June and July. Walker said he will be available here as usual, during this period, Wednesdays through Sundays.

If you are a registered voter, you have a very important duty and privilege to perform next Tuesday. The primary election is scheduled and to make it possible for every voter to exercise his right, the polls will be open from 7 a.m. until 7 p.m., thus providing no excuse for neglecting the chore. The recent school district election was a sad affair, with only a small majority of voters responding but it is hoped that for once every voter eligible and capable of casting a ballot will show up at the polls Tuesday. As usual we make no recommendation for your vote, but we do urge that you take advantage of this opportunity to express your choice.

The settlement with Squaw Valley land owners has been reached after two years of bickering and negotiating and preparation for the 1960 Winter Olympic Games is now in full swing. It is time for the communities concerned to now set about putting their houses in order for the impact which is sure to result. The prime task ahead, as we see it, is to stabilize the area, set prices in keeping with what we hope will be a constant development and prepare for a permanent community. There are those who will want to take advantage of the situation and strive to get rich quick. This attitude may well lead to disaster and disgrace for this area. Fair and legitimate profits should be in order, but gouging will put a black mark on the area which we may never live down. It is time now to give serious thought to what will occur following the games and we hope common sense and an appreciation of this great opportunity will prevail.

### ANOTHER CONTRACT FOR WORK ON 40 IS ASSURED WITH BID

A low bid of \$2,617,777.77 was received by the division of highways yesterday for the construction of an additional 4.5 miles of four-lane freeway on Highway U. S. 40 in Placer County. The low bid was submitted by Frederickson, Watson and Ransome Co. There were 6 bids offered for the contract.

This section of freeway will extend the construction work now being done between Colfax and the Magra Overhead to a point 0.5 mile west of Monte Vista. Included in the contract, which will provide a divided four-lane facility paved with portland cement concrete, are four major structures and the relocation of a portion of the Boardman Canal.

The section of road to be constructed is a part of the federal interstate highway system.

One of the structures will provide for a crossing of the Southern Pacific Railroad at Magra. The three remaining structures provide for the interchange of traffic to local roads.

### MASS SCHEDULE FOR CHURCH IS CHANGED

The June Sunday Mass schedule for the Catholic Churches in this area are as follows, according to Father Patrick O'Neill: Assumption Church at Truckee, 9:30 a.m.; Corpus Christi at Tahoe City, 8 and 11 a.m.; Our Lady of the Lake at Kings Beach, 8 and 11:30 a.m. Confessions 7 to 8 p.m. Saturday evenings at Truckee and 3 to 4 p.m. Saturdays at Tahoe City.

Hotels, Motel and business places in the district are asked by Father O'Neill to note the current schedule for inquiries.

### DRIVER CITED AFTER WRECK ON HIGHWAY

Joe Saia, Jr., 25, of Sacramento was taken to Tahoe Forest Hospital Tuesday morning, with minor injuries after his truck failed to negotiate a turn 1 1/2 miles west of Donner Lake, above the Frog Lake trail, at 5:15 a.m. and ran off the road into the rocks.

Saia was charged with failure to have his vehicle under control. Highway patrolman Nick Comola was the investigating officer.

### Mountaineers To Play Admirals In First Home Game

#### Truckee Team Heads List With Two Wins In League

Gordy Stewart, playing his first game for Truckee, led his teammates with a double and two singles to pace the Mountaineers to a 15-11 victory over the Merchants at Fallon last Sunday.

Sunday afternoon at 2:15, the Mountaineers will host the Desert Admirals of Fallon in the first home game at the diamond near the Tahoe Truckee Wye. Manager Al Wakefield, who took this week off from his work at Roseville, said he and others are busy getting the field in good condition and arranging other details for the afternoon's program.

The refreshment stand, Wakefield said, will be operating and a real turnout is expected to cheer the locals to what they hope will be their third victory.

Ray Bell, Truckee outfielder and making his first appearance as a pitcher, contained the Merchants until two were out in the last of the fifth inning, when he had control trouble and issued free passes to load the bases. Val York, Fallon third-baseman, greeted reliever Homer Robinson with a grand-slam homer over the left field fence to clear the bags.

Ed Frates and L. J. Robinson both doubled and singled in five trips to the plate for Truckee.

The short score:

	R	H	E
Fallon	11	12	10
Truckee	15	10	2

Bell, C. Robinson and Oates; Uglide, Doyle and Winegar.

### Mrs. Cupples Rites To Be On Saturday

Last rites will be held at Truckee Colonial Mortuary, Saturday at 2 o'clock for Mrs. Mary Cupples, 80 years of age who died May 27 at the home of her daughter, Mrs. Harry Lietz at Arcadia.

Rev. Rafe Martin of the First Baptist Church at Reno will officiate at the services and interment will be in the Truckee cemetery beside her husband who died here several years ago.

The deceased was a life member of the Order of Eastern Star. Two sons, Joseph of El Paso, Texas and Dr. Robert Cupples of San Jose and 8 grandchildren are other survivors.

### Most Business In County Out of City

SACRAMENTO — (CNS) Nevada County had 816 businesses licensed to sell tangible personal property at the beginning of 1958, including retail stores, personal services establishments, manufacturers, wholesalers and contractors, the state board of equalization reported.

Of this total, 355 were within cities in the county and 461 were outside of cities.

During the fourth quarter of 1957, the state board said these licensed businesses had \$5,238,000 in taxable transactions.

### DOMINICAN SISTERS HERE FOR SCHOOLS

The Dominican Sisters of San Rafael will open their summer school June 9, to be held at the Truckee Catholic Church and hall and at the Corpus Christi Church at Tahoe City.

The sessions will close on Sunday, June 22 with the children receiving their first holy communion on that day.

### EASTERN STAR TO MEET ON TUESDAY

The next regular stated meeting of Eastern Star will be held on Tuesday June 3rd at the Masonic Temple in Truckee. All of the chairs will be taken by the past matrons and past patrons of Truckee Chapter with Pearl Snyder of Lake Forest the presiding matron.

There will be two meetings in June and then the chapter will be dark until Sept. All members are urged to attend these two meetings. Dorothy Corbin will be chairman for the evening's refreshments.

### Baccalaureate Will Be Held Sunday For 39 Graduates

Baccalaureate services will be held Sunday evening, June 1, at 8:15 o'clock for the 39 graduates of the Tahoe Truckee High School.

The program will lead off with the processional by the high school band, followed by the invocation by Father P. J. O'Neill.

The high school chorus will sing the invocation, accompanied by Marilyn Plevel and the band will play Air for Band by Erickson.

The Baccalaureate address will be given by Rev. Earl Languth, pastor of the Kings Beach Community Church who has chosen as his subject "Persons, Places and Things?" The address will be followed by the chorus singing "Let All Mortal Flesh Keep Silent," with Marilyn Plevel accompanying.

The benediction will be by Father O'Neill and the recessional march will conclude the evening. Ross W. Price is the director in charge of the music.

The public is invited to join in the services.

The graduates are: Charles William Bailey, Stanley Allen Baker, Dean Harder Beyer, Marilyn Irene Boyer, Floyd Edgar Cooper, Nancy Lou Crose, Irene Estelle Englehart, Sheila Josephine Fanger, Richard Allen Fougerson, Gilbert Barry Graton, Janice Lorraine Gray, Richard Lewis Griffith, Patricia Lynn Gunkel, Joyce JoAnn Hallett, Judith Lee Hastain, Dean Warren Holbrook, David F. Holleman, Ronald Stewart Kirby, Alice Lander, Nolan Boyd Little, Janos Magyar, Berger Briesse Nelson, Kenneth Marvin Osburn, Lloyd Jack Robinson, III, Dennis Lynn Schlumpf, Christopher Kirby Schull, Fred Nowlin Schultz, Donald Harrison Siles, Jovee La Von Slate, Robert James Strickland, Jerry Lee Thompkins, Sondra Lee Tremayne, Donald Lewis Van Hooser, Kenneth Montgomery Vaughan, Damon John Wainscoat, Ronald K. White, David Wesley Whitley, John Merritt Wood, Joann Wray.

### Reforestation Is Started In District

Truckee Ranger District personnel are again in their annual reforestation work. 12,000 Jeffrey pine seedlings have been planted in the past two weeks. These young trees were grown at the forest service nursery at Mt. Shasta from seed collected in the Truckee area. Twenty-two hundred trees were planted near Highway 89 on the Bald Mountain burn, 3 miles south of Truckee. If this plant succeeds it will help obliterate the unsightly fire scar visible to motorists on the east side of the river.

Earlier plantations on the high benches above the river were inspected last week and show high survival and vigorous growth. District Ranger Roy Saarni said.

A total of 9800 trees are being planted at the headwaters of Sagehen Creek where an early day burn left a large brushfield on a natural timber producing site. Ten acres of the brushfield were stripped last fall with a bulldozer and piled in windrows. This project is a pilot model for the reforestation of eastside brushfields.

If the Sagehen Basin plots prove economical and practicable many thousands of brushfield acres in the Tahoe National Forest will be cleared and planted in the future.

Members of the planting crew are foreman Ed Fischer, Fred Scott, John Silbaugh, Jim Davis, Robert Curnow and George White. Assistant Ranger Norman Anderson is supervising the projects.

### BEAUTY SALON WILL OPEN FOR SUMMER

KINGS BEACH — Mrs. Marg Olinghouse has returned to Kings Beach and announces the opening of her North Tahoe Salon of Beauty in its new location next to the P&G Market in Kings Beach. The opening will be on Tuesday, June 3. The salon was formerly in Tahoe Biltmore.

Members of the planting crew are foreman Ed Fischer, Fred Scott, John Silbaugh, Jim Davis, Robert Curnow and George White. Assistant Ranger Norman Anderson is supervising the projects.

### SLAVE DAY OFFER MADE BY RAINBOW

Hope Assembly, Order of Rainbow for Girls, is asking the public to take advantage of their Slave Day, to-morrow when they will wash cars at Gateway Chevron Station.

The cake sale will also be in progress at 10 a.m. in Z Market. Janice Gray may be called at LU 7-3289 for added information.

#### S.P. Agent Returns

William N. Patterson, traveling passenger agent for the Southern Pacific Company, has returned to Truckee to make his home during the summer months. The agent will assist passengers in arranging schedules and other details on vacation trips.

## Election Demands Local Interest At Polls On Tuesday

### Few Contests Should Bring Out Big Vote Here At Primary

Belated interest in the primary election next Tuesday is causing a mild stir throughout the district as contesting candidates view for votes.

Although there are some heated contests, some of local interest, the vote is not expected to be large, unless the final few days of the campaign create more interest than is currently manifested.

On the immediate local scene there is one contest as Roy F. Waters, Truckee Deputy sheriff attempts to unseat incumbent F. W. Wilson for the judgeship of the Truckee judicial District Court.

On the county scene there are only a few contests as many candidates are without opposition. These include Superior Court Judge Vernon Stoll, County Clerk and Auditor John T. Trauner, Sheriff Wayne Brown, County Treasurer Elma Hecker, District Attorney Harold A. Berliner, Coroner Alvah Hooper, Surveyor Joseph F. O'Connor. These are all incumbent officials. A newcomer to the court-house will be Theodore A. Kohler, Jr., who is unopposed for the vacancy in the county recorder's office, with the retirement of John Nettell.

Edward G. Fellersen, a Grass Valley educator, is opposing incumbent Denis A. Christin for the office of superintendent of school. Three candidates are after the assessor job. They include incumbent Charles R. Kitts, Leslie J. Cicogni and Miss Elva Jean Cox.

The post of public administrator has attracted seven candidates. They are Gail Gordon, Albert J. Ahern, Charles Gordon, Mitchell Polk, Wilbur Wells, Elton Williams and Marie Willford, all of the western end of the county.

Both Guy N. Robinson and Jerome Coughlan, supervisors in the fourth and third district respectively, have opposition, John A. Walker running against Robinson and E. T. Minahan opposing Coughlan.

In the district balloting incumbent Francis Lindsay is opposed by Paul Lunardi of Roseville for a seat in the assembly. This race will undoubtedly go to the general election.

Senator Harold T. Johnson a candidate for representative in congress to replace Clair Engle, a candidate for the U.S. senate, is battling it out with Curtis W. Tarr of Chico.

Then of course there is the race between Engle, Governor Goodwin J. Knight and George Christopher for the U.S. Senate seat, which William Knowland vacated to run against Pat Brown for governor of California.

Other races will see Lt. Gov. Harold Powers against Glen Anderson; Robert Kirkwood, incumbent, opposed by Alan Cranston and A. Ronald Butten, state treasurer, racing Bert A. Betts.

In the attorney general scrap left vacant by Pat Brown, Patrick Hillings, Robert McCarthy, Stanley Mosk, Ralph Plantene and Casper Weinberger are all in the race.

Paul Leake, Woodland publisher, is unopposed for his seat on the board of equalization.

There are various and sundry other offices to be filled including the democratic and republican central committees. Four democratic candidates, Charles Osburn, Charles Heller, Thomas Kirby and I. O. Giffords seek the two seats on the committee from Truckee. The republicans have no candidates locally.

### DRIVER INJURED AS CAR CRASHES BRIDGE

William D. Snider, 47, of Hughson, California received only slight injuries Sunday, May 25 at 12:35 a.m. when his car apparently went out of control and hit the bridge, located 5 miles east of Truckee.

Sgt. Frank Snyder reported that Snider was treated by his personal physician for the injuries. Patrolman William Gautsche investigated the accident, no citation was issued.

### SLAVE DAY OFFER MADE BY RAINBOW

Hope Assembly, Order of Rainbow for Girls, is asking the public to take advantage of their Slave Day, to-morrow when they will wash cars at Gateway Chevron Station.

The cake sale will also be in progress at 10 a.m. in Z Market. Janice Gray may be called at LU 7-3289 for added information.

District, as follows:

1. That the Board of Directors  
of said Truckee Sanitary District,  
County of Nevada, State of Califor-  
nia, does hereby determine that  
the public interest and convenience  
require, and said Board of Direc-  
tors does hereby declare its inten-  
tion to order the following acqui-  
sition to be had and the following  
improvements and construction to  
be made, in a portion of said  
District, to wit:

(a) The construction of vitri-  
fied clay pipe sanitary sewer  
mains, wye branches, caps, house  
connections, together with stand-  
ard manholes, lampholes, covers  
and cleanouts in, over and upon  
Pine Avenue, a portion of Tahoe  
Drive, portions of Lake Avenue,  
Sierra Avenue and Vista Ave-  
nue north of Tahoe Drive, and  
in portions of Donner Way and  
Spring Lane, all Gateway Park  
Subdivisions Nos. 1 and 2; in  
certain dedicated public utility  
easements in said Subdivisions,  
including Blocks Nos. 3, 4, 5,  
6 and 7, Gateway Park Subdivi-  
sion No. 1; in easements across  
portions of Lots 8 and 9, Block  
No. 2, and Lot 11 of Block No.  
3, Gateway Park Subdivision No.  
1. The exact grades, location,  
dimension, quantity and charac-  
ter of work hereinabove referred  
to is more particularly shown  
on the maps and profiles there-  
of, and in the specifications and  
detailed drawings on file with  
the Clerk of the District.

2. That whenever any public way  
is hereby referred to as running  
between two public ways, or from  
to any public way, the inter-

sections of the public ways refer-  
red to are included to the extent  
that work shall be shown on the  
plans to be done therein.

3. That streets, highways and  
roads in the area wherein work is  
to be done and improvements made  
hereunder are more particularly  
shown in the records of the County  
Recorder of the County of Nevada,  
State of California, and shall be  
shown upon the plans referred to  
and to be filed with the Clerk of  
this District.

4. That all of said work and  
improvements are to be constructed  
at the places and in the particular  
locations of the forms, sizes, di-  
mensions and materials, and of the  
lines, grades and elevations as  
shown and delineated upon the  
plans, profiles and specifications  
to be made thereafter as herein-  
after provided.

5. That said Board of Directors  
does hereby adopt and establish  
as the official grades for said work  
grades and elevations to be shown  
upon said plans, profiles and spec-  
ifications. All such grades and ele-  
vations are to be made in feet and  
decimals thereof with reference to  
the datum plane of the United  
States Geodetic Survey.

6. That all public property,  
streets, highways and roads within  
the assessment district, in use in  
the performance of a public func-  
tion as such, shall be omitted from  
the assessment hereafter to be  
made to cover the costs and expen-  
ses of said acquisition, work and  
improvements.

7. That the contemplated acqui-  
sitions, work and improvements,  
or to any public way, the inter-

rectors, are of more than local or  
ordinary public benefit, and said  
Board of Directors does hereby  
declare and make the costs and  
expenses thereof chargeable upon  
an assessment district, which said  
district the Board declares to be  
the district benefitted by said  
acquisitions, work and improve-  
ments, and to be assessed to pay  
the costs and expenses thereof be-  
cause the costs and expenses thereof, said  
assessment district, and the bound-  
aries thereof being more particularly  
shown on a map thereof on file with  
the Clerk of this District, and desig-  
nated Assessment District Map  
1-1957, Truckee Sanitary District,  
dated July 1, 1957, as revised De-  
cember 12, 1957.

8. That it is hereby determined  
and notice is hereby given, that  
serial bonds to represent unpaid  
assessments, and to bear interest  
at the rate not to exceed 6% per  
annum, will be issued hereunder  
in the manner provided by the  
Improvement Act of 1911, the last  
instalment of which bonds shall  
mature nine years from the 2nd  
day of January next succeeding  
the next October 15th following  
their date.

9. That all the above work shall  
be made, done and performed pur-  
suant to the provisions of the  
Improvement Act of 1911.

10. That reference is hereby  
made to the proceedings of this  
Board, the County Health Officer  
of Nevada County, and the Board  
of Supervisors of said County un-  
der Section 2808 of the Streets and  
Highways Code and Section 6540  
of the Health and Safety Code of  
the State of California.

11. That said proposed acqui-  
sitions, work and improvements are  
hereby referred to Russell G. Lud-  
wig, c-o Cal Engineers, District  
Engineers for this District, and  
said District Engineers are hereby  
directed to prepare and furnish  
said District with maps and de-  
scriptions showing location, general  
route and termini of lands and  
easements necessary for the con-  
struction of said improvements;  
plans, specifications and detail  
drawings of the contemplated work  
and improvements; careful estima-  
tes of the costs and expenses of said  
acquisitions, work and improve-  
ments and of incidental expenses  
in connection therewith; diagram  
showing the assessment district  
referred to above, boundaries and  
dimensions of lots and parcels of  
land within the same; and a pro-  
posed assessment of the estimated  
total cost and expenses upon the  
several lots and parcels of land  
in said assessment district in pro-  
portion to the estimated benefits  
to be received by each, respecti-  
vely, from said acquisition, work  
and improvements and of the ex-  
penses incidental thereto.

12. That if any excess shall be  
realized from the assessment here-  
under, it shall be used for the  
maintenance of said acquisitions  
and improvements unless the Board  
shall determine to apply same or  
any part thereof as a credit to  
each assessment herein.

BE IT FURTHER RESOLVED,  
AND IT IS HEREBY ORDERED:

1. That Tuesday, the 3rd day of

## PLACER HIGH WILL SUPPORT OLYMPICS

AUBURN—The Placer Joint  
School District governing board has  
agreed to support the 1960 Winter  
Olympic Games in Squaw Valley  
in 1960 by holding its annual  
spring vacation in the winter, on  
dates covering the games.

When the Olympic Committee  
sets the final dates, the board  
will set its vacation dates, Dr.  
Harry D. Wiser, district superin-  
tendent, stated today. They are  
tentatively set from February 15-  
28, but may be changed at a  
meeting in Tokyo this month.

The spring vacation dates usu-  
ally fall during Easter week. The  
change in 1960 will affect students  
at the main plant in Auburn,  
Del Oro High School near Loomis,  
and Colfax High School, Dr. Wiser  
stated.

## ATHERTON SUPPORTS GOV. KNIGHT FIGHT

Warren Atherton, former nation-  
al commander of the American  
Legion, has pledged his full support  
to Governor Goodwin J. Knight's  
candidacy for the United States  
Senate.

Atherton, prominent Stockton  
attorney who recently withdrew his  
own candidacy for the senate chair-  
manship of a statewide veterans  
Committee for Knight and prom-  
ises an intensive campaign in the  
Governor's behalf.

Citing Knight's World War I  
naval service, Atherton said he is  
calling on all veterans, regardless  
of their political leanings, to sup-  
port the Governor as the only  
major candidate in the Senate race  
who is a war veteran with active  
military service in the Armed  
Forces.

## PATRONIZE LOCAL STORES

or objections to the proposed acqui-  
sition, and improvements contem-  
plated and provided for hereun-  
der.

2. That the Clerk of this Board  
shall and he is hereby directed to  
give such notices for the time, in  
the manner and of the content re-  
quired by the said Improvement  
Act of 1911 applicable to this Reso-  
lution of Intention, said hearing  
and Notice of Improvement pur-  
suant thereto.

The foregoing Resolution No.  
458 was duly passed and adopted

## Fire Rules Are Set For This Summer

H. E. Branagh, Tahoe National Forest Supervisor, announced that fire closure laws will become effective June 1.

Branagh reports that the Regional forester, under authority vested in him by the secretary of agriculture, has declared a period of fire hazard and danger to exist upon all lands within the forest between the dates of June 1 and October 31, 1958 and has authorized the ranger to place restrictions in effect as of June 1.

These restrictions include the building of camp fires on national forest land within the forest without first obtaining a permit. Permits are required whether the fire is in the open or in a trailer, and can be secured from forestry offices, auto associations or from other designated agents.

Smoking is prohibited while traveling on foot, cycle or animal, in grass, grain, stubble, brush, timber or other inflammable vegetative cover and in areas posted against smoking. Smoking is permitted in camp grounds or inside vehicles on roads and at places of habitation.

The restrictions prohibit the discharge of fireworks on national forest land or the throwing of a burning cigarette, cigar, match, pipe heel, firecracker or any ignited substance in any place where it may start a fire.

Supervisor Branagh urges all forest users to be extremely careful with fire at all times.

## NEVADA COUNTY HAS \$4.97 TAX AVERAGE

SACRAMENTO — (CNS) An average tax rate of \$4.97 in Nevada County produced a total of \$1,844,000 in tax levies during the 1957-58 fiscal year, the state board of equalization reported.

The total taxes levied included city, \$177,000, county \$818,000, school districts, \$811,000 and other district levies \$38,000.

Statewide, property taxes levied by all counties, cities, school districts and other special districts for the year totaled \$1,634,412,000—or almost \$116 for every man, woman or child in the state.

This total represented an increase of 15.4 per cent, or \$218,187,000 over the previous year's total and an increase of about \$11 in the per capita tax levy.

During the past 10 years, taxable assessed valuations increased 2.2 times but tax levies during the same period have tripled. The average tax rate for the 1957-58 fiscal year was \$6.72 per \$100 of assessed valuation, up 23 cents from the previous year.

School district taxes accounted for nearly half of the total and showed a 17.6 per cent increase over the preceding year. School district tax rates averaged \$3.17, as compared to \$1.66 ten years ago.

NID WILL SELL LAND  
ON BANNER HIGHWAY

The Nevada Irrigation District board of directors will on Friday, June 13, at 2:30 p.m. sell to the highest bidders 17 parcels of land of approximately 1 1/2 acre each, located on the Lava Cap Road approximately five miles from Grass Valley and Nevada City off the Banner Road.

These parcels lie on a good road with water available within a year. The parcels are wooded and of excellent homesite value with a beautiful view of the Sierras.

This land was taken in 1933 by the Nevada Irrigation District for nonpayment of assessments and the district will deed to the successful bidders all its right, title and interest in the property described. The State's interest in this property was redeemed by the Nevada Irrigation District in 1946.

KNIGHT CONFIDENT  
AS TOUR IS ENDED

Following a whirlwind campaign tour of San Francisco today (Wednesday, May 21), Governor Goodwin J. Knight voiced a confident prediction that he will be elected to the United States Senate.

"I think I shall receive the nomination of my own party in June and I am confident that I shall win in November," the Governor declared.

A highlight of the Governor's San Francisco tour was a luncheon held in his honor by the Knight for Senator Labor Committee, and attended by labor representatives from throughout Northern California.

Prior to the luncheon the governor visited the headquarters of the Sailors Union of the Pacific, where he was informed of the unanimous endorsement of his candidacy by the powerful AFL group.

Similarly warm receptions awaited the Governor elsewhere on his tour by auto caravan throughout the city accompanied by campaign leaders and city officials.

YOSEMITE MAN TO  
BE OLYMPIC OFFICIAL

Robert W. Seach, administrative supervisor for the Yosemite Park and Curry Company, will serve as personnel director for the 1960 Olympic Winter Games at Squaw Valley, Prentiss C. Hale, president of the Organizing Committee, announced today.

Seach, 39, will recruit maintenance and custodial workers, messengers and other employees needed during the international spectacle near Lake Tahoe, February 18-28, 1960.

Seach will join the organizing committee staff December 1. He will establish headquarters in Reno, Nevada, and work closely with the U.S. Employment Service there.

For the past ten years Seach has engaged in management work for the Yosemite Park and Curry Company, which operates hotels, camps, restaurants and other summer and winter facilities for the public in the National Park.

Buffet Success—

The buffet dance given May 23 Donner Lake Lodge by the Truckee Cooperative Nursery School was gratifying to its sponsors when nearly 100 attended the event. The barbecue was awarded to Lauren Russell.

BUSINESS GAINS IN  
CALIFORNIA UNDER  
ROBERT KIRKWOOD

California's State Controller heads the elective fiscal branch of a State government of more than 14 million people.

Since Controller Robert C. Kirkwood took office five years ago, 2 1/2 million new residents have

ROBERT C. KIRKWOOD  
State Controller

poured into California. Our State has added the equivalent of a new city of 40,000 people every month. World history records no similar voluntary migration of such size.

While our population has grown more than one-fifth, the public funds for which the Controller is responsible have spiraled from \$11 million to \$16 million daily. The number of warrants (checks) processed by the Controller has increased from less than 900 to more than 1,300 every hour.

At the same time, application of modern business techniques has made it possible for the Controller during the past five years to absorb an increase in over-all workload of 44 per cent, with only a 5 per cent increase in personnel.

The stable fiscal policies of the office have been a major influence in enabling California to absorb new population, develop new employment, and turn a confident face to the future.

DENIS A. CHRISTIN, the incumbent County Superintendent of Schools—Unanimously Appointed by the Nevada County Board of Supervisors to his position—Now requests your vital support in his first election at the polls on June 3, 1958

IF ELECTED—I pledge to continue to provide and improve various educational services for the RURAL and CITY schools in Nevada County; to provide the services of A SCHOOL NURSE AND ATTENDANCE WORKER, TWO GENERAL SUPERVISORS, A PSYCHOLOGIST AND DIRECTOR OF GUIDANCE, A SPEECH CONSULTANT, and an ADMINISTRATIVE ASSISTANT.

MY MAJOR GOAL is to develop and strengthen the educational program in Nevada County so that each child can be assured the best possible education in the RURAL SCHOOLS as well as the city schools. These services are provided without cost to the RURAL SCHOOLS—EXPENSES FOR THEM ARE PAID OUT OF STATE FUNDS, NOT FROM COUNTY TAXES.

I WILL FURTHER ENDEAVOR

1. To add other services as needed AND when they can be provided.
2. To continue the emphasis upon teaching of the "Three R's"—the basic subjects in education.
3. To respect the autonomy of the local boards of trustees, and to help develop more efficient local units of school administration.
4. To develop an educational program for the gifted child.
5. To promote better professional training for teachers, and to help administrators and boards of trustees to secure qualified teachers—and in general, to raise the status of teaching and teachers.
6. To foster greater cooperation among all those interested in education.
7. To continually evaluate the EDUCATIONAL PROGRAM IN NEVADA COUNTY so that economy and efficiency may result in the better education of our children and youth.

I REQUEST YOUR SUPPORT AT THE POLLS ON JUNE 3, 1958

TAHOE CITY—Tahoe City Rotarians were entertained on May 20 to a pre-dinner boxing bout between six pairs of youthful boxers from the local school under the direction of faculty member, Jim Reynolds.

The bouts held in an improvised ring of Tahoe Inn at the edge of the golf course attracted a large crowd of towns people and visitors besides the 30 Rotarians who invited the 12 MIGHTY MITES and their instructor to dinner.

After dinner, 15 Rotary members volunteered to sponsor a member of the Little League Baseball Club for a uniform.

TO THE ELECTORS  
OF TRUCKEE JUDICIAL DISTRICT

On the eve of the June 3rd Primary Election, I wish to take this means to thank all those who have expressed their confidence in me, and who have supported me in my campaign for Judge of the Truckee Judicial District.

If elected Judge, I shall, to the best of my ability, continue to conduct the affairs of the Truckee Justice Court in a fair and impartial manner, ever dedicated to the welfare of the community and the people I serve.

I firmly believe that in every office we should place the more competent, the more mature, the more experienced person. I believe in returning worthy incumbents to office. When we fail to do so, we lose forever the great value of the experience he or she has gained in prior office.

I earnestly solicit your support in the June 3rd Primary, but of more importance still—do not lose your American heritage—VOTE FOR THE PARTY OF YOUR CHOICE!

## TAHOE TRUCKEE SCHOOL NEWS

**TRUCKEE ELEMENTARY**  
KINDERGARTEN: Melanie  
Anderson joined our class this  
week. She was a transfer from  
Chester. Her father, Norman An-  
derson, is with the U.S. Forest  
Service.

Steven Plant brought a beautiful  
Sphinx Moth to school this week  
and we all enjoyed reading about  
it in our "Turned-Into's Book".

**FIRST GRADE:** Final tests are  
being scheduled even in First  
Grade this year. Tests in reading  
and arithmetic will be given next  
week. This week a spelling test  
was given. The following students  
had perfect papers. Yvonne John-  
son, Anna Marie Collier, Terry  
Higgins, Sandra Ferdinand, Karen  
Reid, Curt Wurst, Monte Neuge-  
bauer and Earl Krauss.

**FIRST AND SECOND GRADES:**  
Two new students joined our  
second grade this week. Velma Sue  
Young from Project City and  
Richard Martin from Placer Hills.

Second graders who read 40 or  
more Library books during the  
year are: Linda Russell, Judy  
Ingalls, Karel Sauby and Elgin  
Johnston. Reading between 20 and  
30 were: Shirley Davis, Jill Wurst,  
Kathie Hart and Rosa Pinedo.  
George Franceschini, first grader  
read 23 books.

**SECOND AND THIRD GRADES:**  
We have a new pupil Kenni Leigh  
Morton in our second grade.

Those who have made great im-  
provement in penmanship are:  
Ronnie Walker, Marion Ayala, Dar-  
lene Doolittle, Mary Ann Moore,  
John Clark, Phillip Ridsen, John  
McGlade, Bruce King, Bill Rose  
and Diane Daly.

Dickie Daniels brought a water  
snake and Barry Waters brought  
a frog for us to see.

David Higgins, Bobby Goldsmith,  
Dennis Crandall, Susie Schuler,  
John Clark, Charles Collier, Dickie  
Daniels, Keith Saunders have fin-  
ished "Just for Fun". They will  
read library books and give book  
reports to the class.

**THIRD GRADE:** While conclud-  
ing our study of Pacific Coast  
Indians, we are trying to make  
piki bread out of ground corn.

Our best spellers are: Bill,  
Waters, Cheryl, Rockholm, Dennis  
Richards, Gail Englehart, Gary  
Kehm, Gary Waters, John Collier,

## NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

To Whom It May Concern:  
Subject to issuance of the  
license applied for, notice is here-  
by given that the undersigned pro-  
poses to sell alcoholic beverages at  
the premises, described as follows:  
W S Hwy 28 - 1/2 Mi. S. of  
Kings Beach, Placer Co.

Pursuant to such intention, the  
undersigned is applying to the  
Department of Alcoholic Beverage  
Control for issuance by transfer of  
an alcoholic beverage license for  
these premises as follows:

On-Sale General License  
(Seasonal—Quarterly)

Anyone desiring to protest the  
issuance of such license may file  
a verified protest with the Depart-  
ment of Alcoholic Beverage Con-  
trol at Sacramento, California,  
stating grounds for denial as pro-  
vided by law. These premises are  
now licensed for the sale of alco-  
holic beverages. The form of verifi-  
cation may be obtained from any  
office of the Department.

(19 boys, 18 girls) in the class.  
**FIFTH GRADE:** We want to  
thank all the mothers that brought  
refreshments to our dance. They  
were Mrs. Franklin, Mrs. Stead and  
Mrs. Shane.

**SIXTH GRADE:** Last Friday the  
fifth and sixth grades had their  
last dance of the school year.  
Bobby Frates and Robby Kasplan  
did a good job gathering records  
for the dance music. Rowena Schu-  
ler, Steve Besio, Glenda Stark and  
Pat Shane did a very fine job  
decorating the hall.

We want to thank Mrs. Kiel-  
hofer, Mrs. Carol, Mrs. Braasch,  
Mrs. Fair, Mrs. Franklin and Mrs.  
Stead for helping with the refresh-  
ments and the serving.

**KINGS BEACH SCHOOL**  
KINDERGARTEN: Jo Burris,  
Linda Astle, Gary Martin Gibson,  
Janet Stumbo, Pattie Graton and  
Sally Templeton all received stars  
for the neatest work.

**FIRST GRADE:** This week, we  
had a number concept test. The  
children wrote only the answer  
down. The children had to decide  
whether to add or subtract from  
hearing the story problem. Those  
making 100 per cent in spelling  
were: Tommy Barnum, Sharon  
Brooks, Pat Cinani, Tony Combs,  
Kathleen Critchley, Lyle Draney,  
Candy Ehlers, Gregg Gunkel, Tom-  
my Gregg, Steve Krips, Kathleen  
Hampton, Stanley Mason, Kenneth  
Muschetto, Sandra Martin, Donna  
Martin, Cindy Lee Malmgren,  
Madelyn Mullis, Cathy McIntire,  
Dennis North, Pat Plevel, Cindy  
Plunkett, Pieter Van Tassel,  
Carole Salas, Steve Mandeville,  
Charles Weber and Philip Good-  
rich.

**SECOND AND THIRD GRADES:**  
Mary Margaret Olinghouse has re-  
turned from her stay in Oklahoma.  
We are happy to have her with  
us again. The new third grade  
girl is Karen Ray. She came from  
Santa Clara. We welcome her to  
our room.

**THIRD ANDFOURTH GRADE:**  
We are having reports on our  
last social studies project. Sandra  
Nyblom, and Virginia McGehee  
gave very good reports on individ-  
ual missions. Carol Lee Corbin,  
Kathie Rockholm and Kathie Chas-  
tain made very interesting peep  
shows.

**FIFTH AND SIXTH GRADES:**  
We presented a skit to the P.T.A.  
called "The Bottle" in which all  
participated.

**TAHOE LAKE SCHOOL**  
KINDERGARTEN: Stars for  
good neat papers this week in  
Kindergarten went to: Dan Demp-  
sey, Lisa Beckman, Dorothy Pomin,  
Peggy Hoff, Sally Starratt, Sands  
Hall, Laura Hoxsie, Mimi Kimball  
and Melinda Bechdolt.

**FIRST AND SECOND GRADES:**  
In first grade this week we have  
been doing seatwork in colors,  
number names and objects from  
the board. We are to read to our-  
selves and do the work on our  
papers. Those who read carefully  
and did the neatest work were:  
Gary Riggs, Heidi Henrikson,  
Kathy Stowe, Michael Allgaier,  
Cheryl Bechdolt, Denise Kimball,  
Mark Calhoun, Heidi Allgaier and  
Shirley Gratner.

In second grade this week the  
following people made 100 per  
cent in the spelling test: Mike  
Burmer, Karin Meixner, Karen  
Hartley, Tommy Hoff, Tommy  
Carnell and Erik Henrikson.

We also had a speed and accu-  
racy test in arithmetic with Tommy  
Carnell, first Tommy Hoff, second,  
Mike Dempsey, third and Bro  
Shontz, fourth.

**SECOND AND THIRD GRADES:**  
The second and third grades ar-  
ranged a five point system to use  
as criteria for selecting an honor  
student. These points consisted  
of the highest grades, the best  
learning attitude, classroom and  
yard behavior, appearance, and the  
possibility of using the honor as  
character building rather than a  
point to boast or brag on. As of  
this week, the three challengers  
are Vicki Jones, Lynn Harper and  
Dianne McBride.

**FIFTH AND SIXTH GRADES:**  
The fifth and sixth grade have  
accepted Mr. Russell's offer to  
swim in his pool at Russell's  
Pines Motel.

The spelling "A's" in the fifth  
grade were: Eddie Hoff, Barbara  
Hampton, Roger Michener, Linda  
Westberg, Carol Bruce and Greg  
Moore.

The spelling "A's" in the sixth  
grade were: Mary Spitsen, Linda  
Lomax, Chipper Marvin, Karla  
Kiser, Janis Giannini, Kim Turner,  
Joe Hoxsie, Karen Henry, Sandra  
Riggs, Dottie Ranan, Danell Pomin,  
Erica McLane, Jimmy Kimball.

## NEVADA COUNTY SHARES IN FUNDS

SACRAMENTO—(CNS)— The  
state Department of Alcoholic Be-  
verage Control announced it has  
allocated \$23,319 to Nevada Coun-  
ty from fees earned by the De-  
partment in sale and renewal of  
licenses in the six months ended

February 28.  
Total allocation for Nevada coun-  
ty was \$23,319, of which \$13,188  
went to the unincorporated area.  
Statewide allocations amounted  
to \$6,513,610 for the period.  
The state withholds, for general  
fund expenses, all original li-  
cense fees and 10 per cent of all  
annual license renewal fees. The  
remaining 90 per cent of license

fees are distributed semi-annually  
to the counties and cities of the  
state, in the proportion that the  
amount of fees earned in a parti-  
cular area bears to the total  
amount collected.

With the extra traction of its 4-wheel drive the rugged  
all-purpose 'Jeep' Truck "takes off" where other trucks leave  
off. It carries a payload of more than a ton through mud,  
sand, snow or soft earth—goes where other trucks can't  
go. It travels at highway speeds in conventional 2-wheel  
drive. Equipped with power take-off, it supplies mobile  
power for many types of machinery used in industry or

## EDITORIAL

Never before has a governor  
of California taken so much in-  
terest or done so much for the  
eastern slope of the Sierra as  
has Governor Goodwin J. Knight.  
Many times, this newspaper has  
pointed out the many benefits  
which Gov. Knight's administra-  
tion has provided this district.  
We feel that this effort has earned  
the Governor the unanimous  
support of every voter in this  
region in his campaign for the  
U.S. Senate. We know this per-  
sonal interest will be continued  
after he goes to Washington.

## KEEP THE BENEFIT OF RECOGNIZED ABILITY

Retain  
County Assessor

**Charles R.  
KITTS**

He is experienced in  
today's assessment  
Program

He has saved  
You tax money

Primary Election  
Tuesday, June 3

Assessor Kitts took office at a time of state transition in assessment matters. He  
learned his job under the State Board of Equalization procedures which the legislature  
demanded. His training and experience keeps the county's fundamental life-line—the  
tax roll—in qualified hands.

Property assessment today is not like it was before 1956. The California legislature  
demanded uniformity and a tightening of the so-called "home county loopholes."  
Charles Kitts took office when this program was instituted. He was schooled in it.  
He knows it and he has made it work in Nevada County. At one time Nevada County  
was considered 20 years behind the time in good assessment practices. Nevada County  
today is closing the gap on the last two years. It has meant new records, new proceed-  
ures and a new way of doing business. You became acquainted with it in 1957. Many  
people didn't understand at the time. In 1958 there was less than a half dozen who  
asked for information. You knew the system was right an dyou knew the County As-  
sessor was doing his job.

The closing of the big mines in Grass Valley in 1957 put a serious crimp in the county's  
assessed valuation. It was estimated by some that a 30 cent tax rate boost would be  
required to bridge the gap. At this point your assessor and his staff went to work  
to find every piece of taxable property not on the roll. They found them and came  
up with \$750,000 in assessed valuation to take the place of the \$500,000 lost by the  
mine closings. Despite a 10 per cent salary boost for all county employees you received  
no tax increase. You didn't hear much about it but the big taxpayers were aware of it.

No man does his job without criticism and that applies all the way up to the president.  
Actually there has been little criticism of the work of the county assessor. The  
reason is simple enough. All acts, decisions and policies are based in LAW. In Nevada  
County the law has been followed without deviation. The law does not provide for a  
"tax break" for industry, old or new. All are assessed according to the requirements of  
the state. In the case of the Veteran's Exemption the law is simple and plain. No exemp-  
tion can deviate one iota from a prescribed formula. Assessor Kitts has followed a  
policy of fairness and firmness, with legality the only criterion.

There is no substitute for experience—Experience in today's assessment procedures.  
YOUR ASSESSOR IS TRAINED. KEEP HIM IN OFFICE.

HIS VIEWS AND ABILITY ARE  
RECOGNIZED ON THE FLOOR OF  
THE LEGISLATURE AND IN THE  
STATE ASSESSORS' ASSOCIA-  
TION MEETINGS.

HE FOLLOWS THE LAW. HE  
DOES NOT MAKE THE LAW.  
HE DOES NOT LEVY TAXES,  
BUT HE DOES THE JOB THE  
COUNTY AND THE STATE DE-  
MANDS.

## TO NEVADA COUNTY VOTERS:

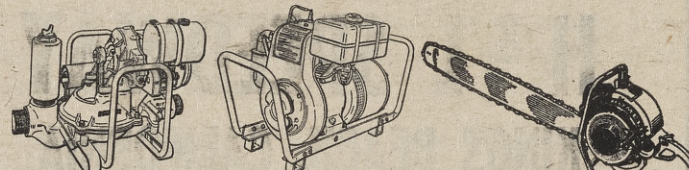

While unopposed in seeking return to the office of  
County Treasurer and Tax Collector on Tuesday,  
June 3rd 1958, I would be sincerely pleased by a  
complimentary vote expressing confidence of the  
voters of Nevada County.

My years of public service to  
my home county has been a pleas-  
ure and an honor and it will be my  
untiring ambition to continue the  
operation of the Treasurer and  
Tax Collector's office in an effi-  
cient, courteous and economical  
manner.

#### BUILDING

Dr. Allen Sklar is building a guest-house at his home on Brockway Hill. Christiansens are building onto their motel. The Streepers are building on. The Horseshoe Lodge (Bill Bates) has built a few more bungalows. A new building going up next to the Sierra Boat harbor.

Oh, yes, the Tarzaks are building new apartments at the Totem Pole Resort in Tahoe Vista. The Zeiglers Fine Foods Restaurant located in the former Here-Tis shop is now open in full swing with cooked meals to take out. Another motel is under construction next to the Lauderette in Tahoe City. Ludlow's Lodge had a bus load of visitors over the week-end. Chuck Moseley's Gift shop had added on and are open for business.

### PLACER SCHEDULES MEETING ON ZONING

AUBURN—Placer County supervisors have scheduled a public hearing for 2 p.m. June 10th on a proposed ordinance which would designate one area of Lake Tahoe land as a special business district zone.

The new, disputed ordinance, recommended to the board by the county planning commission, is designed to permit the establishment of a controlled shopping center in zone district No. 4 near Tahoe City.

The zone which would be affected by the new ordinance runs from the Truckee River bridge at Tahoe City south on State Route 89 for three miles to Ward Creek.

Planning commissioners still are considering an application submitted by Ray Towers and Thomas

F. Joyce, Jr., to rezone 23 acres of residential land in that district to the special business zone. The two men have indicated they want to establish a shopping center on the land.

## We're doing our best to help ourselves

### A statement dealing with the fundamentals of running a railroad

You probably have heard or read a good deal lately about the troubles of the railroad industry . . . regulative, competitive, legislative . . . and depressive.

You can be helpful . . . and we will be grateful . . . if you will add your voice to others who are asking for fair, non-political treatment of the railroads, such as is recommended in the report of the Senate Committee headed by Senator Smathers (and proposed in Senate Bill S. 3778).

### But in the meantime...

We want you to know that Southern Pacific is doing its very best to help itself.

We try to operate as a sound, going concern, in our own interest and in yours. This involves reducing operating costs. At times, and particularly now, this requires severe economies.

We are also trying to get rid of those passenger trains that are little used, serve no useful purpose, and cause huge out-of-pocket losses. We have just discontinued one train that cost us \$1,800 a day and brought in only \$12 a day in revenue. Such efforts bring criticism, but we think this policy is best for shippers, and in the long run for travelers who actually use trains.

We are trying to adjust our freight rates so as to regain business that has been lost and also act as an incentive to develop new traffic. Some shippers are pleased and sometimes others object.

It's easier to say "Yes" than it is to say "No." We'd like to please everyone but that just doesn't seem possible.

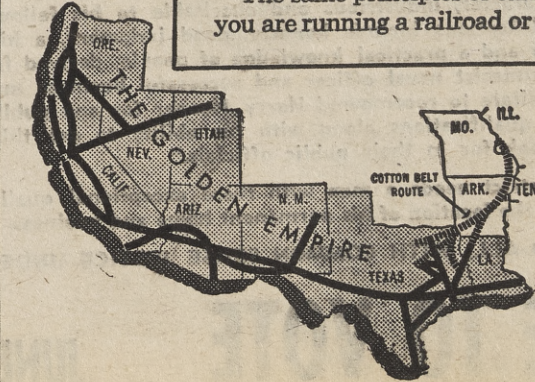

The best policy we think, and the one we try to follow, is to bring the greatest good to the greatest number and at the same time keep solvent.

It should be obvious to regulatory commissions, and to thoughtful shippers and travelers, that a solvent railroad is much better able to serve its territory well than a weak, money-losing one.

D. J. RUSSELL  
President

We operate in large figures, but it is the relationship between income and outgo that counts, whether a business is large or small.

The same principles of carrying on a business apply whether you are running a railroad or a peanut stand.

### STATE WISHES FOR COLLEGE WILL BE HEARD AT MEET

Albert F. Bequette, Placer County superintendent of schools, today announced a special meeting of Sierra College trustees has been called for June 9th at 8 p.m. to receive the report of Charles E. Gibson, chief of the bureau of school planning, on the survey of sites recommended for the future home of Sierra College.

Gibson will make the formal presentation to the board. After it has been read and received, trustees will turn the meeting over to Bequette, who then conducts the session under the provisions of Section 18,471 of the education code of California.

A report from the school planning bureau of the state was requested by the board of trustees. It is expected to cover four sites that had been recommended by the district site selection committee. A fifth site, at Adams Cold Springs, near Newcastle, had been eliminated by Gibson in a letter to the board.

An engineering report on four sites had been submitted to the state bureau earlier this month.

### LEVEL OF TAHOE CONTINUES HIGH

TAHOE CITY — The level of Lake Tahoe continues to mount and Monday it stood at 6228.35 with all 17 gates open wide. The maximum level is 6229.1 feet.

The cool weather and sharp breezes recently have slowed the runoff, but there is still a very good chance that the maximum level will be exceeded before the runoff is through.

The rain storm last Thursday deposited .32 of an inch of precipitation at Tahoe. Temperatures, according to Cooperative Observer Art Frodenberg, have ranged from 37 to 69 during the week.

## FAMOUS JUDGES OF HISTORY

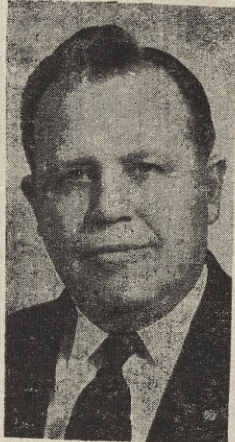

No. 4

**MARSHALL:** John Marshall; 1755-1835; Born in Germantown, Virginia; Studied law at 18; Entered Revolutionary Army where he served with great courage and valor; served as a member of Federal Convention to ratify the Constitution of the United States; in 1800 he was made Secretary of State, and in 1801 appointed Chief Justice of the United States, which office he held until his death in 1835.

He was an authority on constitutional matters. He made the Constitution live and imparted to it the breath of immortality; its vigorous life at the present hour is due mainly to the wise interpretation he gave to its provisions during his long term in office. He defended the Constitution against cunning politicians, and showed that it could wield full strength in defense of the humblest individual. The honor bestowed upon him testify to the esteem in which he was held by the State and by the Nation.

The faculty which made Marshall invaluable as a Jurist was his power of going directly to the core of any matter. Kindness, humor, directness and simplicity were his dominant characteristics. A legally trained man with a military background, he was one of America's greatest Jurists.

Read what prominent people from his former home community say about Harry S. Hooper:

**HARLON BROWN**, Treasurer and Tax Collector of Sutter County: "I have known Harry S. Hooper for 27 years . . . He has been a willing worker and leader in many worthwhile community projects. If you want something done and done right put Harry Hooper in charge . . ."

**JOHN G. HAUCK**, District Attorney of Sutter County: "I have known Harry Hooper for many years. He is one of the outstanding community leaders, . . . and has taken an extremely active and important part in a multitude of community projects. . . . Mr. Hooper's honesty, character and integrity are of the highest and I would not hesitate to recommend him unqualifiedly."

**JOHN O. BLEVINS**, Chief of Police, Marysville: "I have been personally acquainted with Harry S. Hooper for the last 20 years. . . . I have found Harry Hooper to be a man of impeccable character, industrious and charitable to his fellow men. Harry Hooper's personal qualifications include honesty, good judgment, a high degree of intelligence, personality and a practical knowledge of people, derived from his years of experience as a pharmacist naval officer and successful business man, and study of law. I would not hesitate to recommend Harry Hooper for any public office. . . . The above mentioned qualifications along with his ability to get things done are qualities that people look for in their public officials."

The Tahoe Judicial District needs a man with these exceptional qualifications, one who has made this area the location of his permanent home and business. His platform:

### ANNEXATION

A meeting was held on May 29th at the community center for the annexation of the Park Terrace and Lakeview territory to the Tahoe City Public Utility District. All owners are very pleased with this development as we have all had plenty of septic tank problems and will be most happy to see the sewer completed.

### FLY-UPS HAVE PICNIC

The last meeting of the fly ups for this year was held on the

Tahoe City Commons. A picnic and games was enjoyed by all of the girls. Jump rope and the blowing up of balloons contests were held with the girls winning prizes for the best. The thing made the biggest hit was the making of stilts by each girl and then the attempt to walk on the them although many of the girls were off more than on the stilts they all had a wonderful time. Enjoying the outing were: Steffie Snyder, Karen McBride, Julie Ann Bechdolt, Susie Wright, Joyce Anderson, Kathie Connors, Alice Calhoun, Sheryl Flory, Kristine Meixner and Fly up leader Mrs. Don Snyder.

### WOMEN'S CLUB BOARD MEET

A joint board of directors meeting was held at the home of Mrs. Don Snyder on May 27 at a 12:30 luncheon. With the incoming and outgoing officers and board members attending. The main purpose of the meeting was to acquaint the new officers with their duties and to turn over all books to the proper person assuming the office. Mrs. Ernest LePire the incoming president, presented the plans of the club for the summer. The past president, Mrs. Don Snyder has done an excellent job with the club and deserves a lot of thanks for the time and effort she has spent.

### COMMONS IMPROVED

Although the turnout for clean-up of the Commons was disappointing, the work still got done. A lot of debris and pine needles were raked in piles and burned, the picnic tables were repaired, sanded and painted and one of the anchors for the bouys to rope off the swimming area was dropped into the water to await the arrival of the bouys and rope, expected any day. Lights over the picnic area are being erected and will work automatically from 8:30 p.m. to 10:30 p.m. to allow more picnic time. The telephone company is donating the poles to mark off parking and play area. The paint for the tables was donated by Floyd Carnell and Contractor R. H. Roque of Tahoe City is building and donating another picnic table. Thanks to all who took time to help. It was greatly appreciated.

### HOME IN STYLE

Mrs. Fern Schlueter arrived at the lake Monday, May 19 in style with her new striking pink car with a copper brown top. She has been with her sister, Vivian Nelson who is very ill in Oakdale but had to leave to get the lodge opened for the season and has been busy mowing lawns and cleaning yards for this weekend opening. Fern says she is happy to be back.

### Recuperating

Carl Bechdolt, Sr., is gradually improving after a serious operation two weeks ago at Reno. Mrs. Bechdolt has been staying at the hospital since the operation to be at his side. At present only the family is allowed visiting privileges of about half an hour. There have been many visitors from the bay area who have made special trips to see their friend. His lifelong friends and all of Tahoe City are wishing him a speedy recovery and will be happy to see him on the streets once more.

### CARD OF THANKS

In behalf of all the members of the V.F.W. and its Auxiliary a very special thanks to all the people of the North Tahoe area for their all out support to the 1958 Buddy Poppy sale. A special Memorial Day display was arranged by Auxiliary members through Kings Beach Sports Shop.

Work started last week on the enlargement of the Truckee Maintenance station, it was announced by the division of highways. The contracting firm of King and Mariani of Oroville began removing the existing fencing in preparation of the grading of the enlarged area.  
The Oroville firm submitted a low bid of \$35,271 for grading the site and erecting the fencing. Other items included in the planned enlargement will be constructed under a contract to be let at a later date.  
The existing maintenance station is being enlarged to accommodate the additional equipment that will be required to maintain the new freeway currently being constructed in the Truckee area.  
The Marysville office of the division of highways announced that Howard Hardie has been assigned as resident engineer for the project which is scheduled for completion early in August.

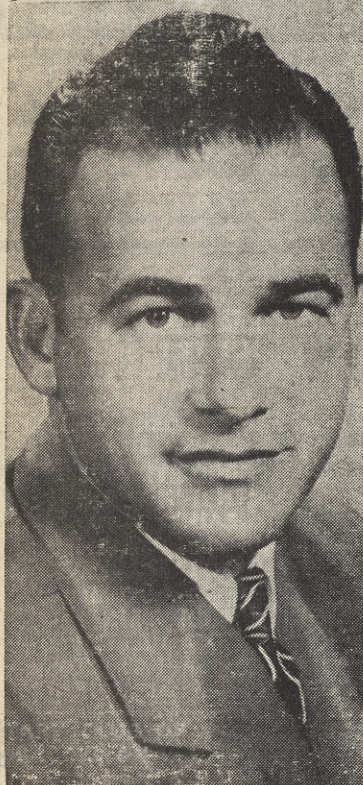

**AERIAL SURVEY OF HIGHWAY TO BE MADE**  
The Division of Highways announced today they have received a low bid of \$11,011.00 for an aerial survey to be made between Bowman and Heather Glen on Highway U. S. 40.  
Packard, Muir and Train, Incorporated, of Sacramento submitted the lowest of the eight bids received for the work.  
The results of the survey will be used by highway personnel in the study of, and the preparation of plans for, the conversion of the existing expressway in this area to a full freeway. Highway U.S. 40 is a part of the Federal Interstate Highway System that calls for all sections of highway on the route eventually to be full freeways.  
The Division of Highways explained that the full freeway eliminates any road intersections, or crossing, at grade and prohibits turns to the left. The Bowman-Heather Glen section of U.S. 40 does not now meet this requirement.  
Highway officials pointed out this is merely the first stage in the long-range planning of the conversion of this section. The actual construction date will depend upon many factors: preparation of plans, their approval, the availability of funds and other details.

**WARNING ISSUED AS RECORD DRIVING SEEN**  
California highways will carry another record flow of traffic this summer says the California Highway Patrol.  
"Motorists in California can expect to cope with the greatest volume of traffic in history on our streets and highways during the next few months," declared Patrol Sergeant F. H. Snyder in command of the Truckee Substation office of the Patrol. "New record highs in motor vehicle registration will increase the traffic flow and require stricter adherence to the traffic rules if safety is to be attained."  
"Drive within the posted speed limits, but never faster than is reasonable and prudent for existing conditions; drive in the right hand lane; be extra courteous at crossroads; and move with the flow of traffic," the Sergeant stated. "Patrolmen assigned to this area will be on the highways as usual, paying special attention to the more predominant accident-causing violations."  
"The Patrol asks every driver and pedestrian to cooperate by being constantly alert to the increased hazards of heavy traffic," he concluded. "Driving safely this summer will require positive and persistent obedience to all traffic rules and regulations."  
Six of the world's greatest reservoirs are in the United States.

### BIDS REQUESTED FOR BAXTER ROAD WORK

Bids were asked today by the division of highways on a contract to grade the site of a new maintenance station to be located approximately four miles east of Baxters on Highway U.S. 40. The bids will be opened in Sacramento on June 18.

The new maintenance station will be located between the eastbound and westbound lanes of the freeway to be constructed in this location at a later date. The contract will include the installation of necessary drainage facilities at the site and a realignment of Canyon Creek in this vicinity.

An approach road to be constructed to the site will be improved when the freeway is constructed and used as a connector road between the eastbound and westbound lanes.

The erection of the necessary buildings and related facilities will be done under another contract to be advertised at a later date.

The new station will be named for Charles H. Whitmore who served as district engineer of District III, California Division of Highways, from 1929 to 1952. He was district engineer at the time the district office was moved from Sacramento to its present location in Marysville and served during the period when the state highway mileage in the district was greatly increased. Whitmore passed away in November 1956.

### LOCAL STUDENTS ARE HIGH IN IOWA TESTS

With the exception of quantitative thinking, students of the Tahoe-Truckee High School are higher in grades than the national average in all areas.

This was revealed at a meeting of the governing board of the school district when Mrs. Edward Meiss presented the results of the educational testing program. The program covers nine different areas, the first eight areas comprising a composite score.

After the student takes the Iowa test of educational development, the results are tabulated on a national average for his particular grade, a school grade average and an individual grade. The answer sheets are machine scored and tabulated.

Quantitative thinking is concepts of measurements, numbers, sizes, etc.

The principal reason for the test is to determine the weak areas and assist the student through more instruction in that particular area.

## Commercial Plan For Squaw Given Airing At Meeting

SQUAW VALLEY — Limited commercial development is provided in a proposed Placer County master plan for Squaw Valley which was outlined at a public hearing in Squaw Valley Lodge on Friday.

No protest were raised at the meeting although opposition to some on the Olympic plans were brought out.

The detailed plan would confine commercial development to one area near the lodge and prohibit commercial development at the State Route 89 junction and along the road into the valley.

Mrs. Mazy Salter, Placer County planning director, explained that the plan visualizes a concise center providing for a variety of businesses without spreading throughout the valley. No filling stations, for example, would be allowed outside the business area.

The plan also provides for community recreation, an area to be set aside for a helicopter base, a utilities district to be formed at an early date and outdoor advertising to be limited strictly.

Mrs. Adelaide Johnson, president of the Squaw Valley Property Owners Association, asked what property owners could do to make protests against the proposed loop road into the valley. She referred to a road proposed by Olympic planners to carry one way traffic into one side of the valley and out the other.

Mrs. Salter explained the road is not in county plans but the planning commission could recommend to Olympic planners what the majority of property owners want. What the majority wants, however, was not made clear at the hearing.

Placer County Supervisor Frank Paoli asked for reasons for the loop road, saying he does not understand why such a road is necessary. It appears on maps to require 100 feet of right of way throughout.

In answer to a question by John Corbin, superintendent of the Tahoe-Truckee Unified School District, about the permanent population increase which could be expected, Mrs. Salter said no information is available but at present there are 14 year around families in the valley.

"We have made a study of land available and use a figure of 4,100 as the point of saturation but we have no way of knowing when, if ever, it will be reached," she said.

The second hearing on the proposed master plan is scheduled for June 25th in the courthouse at Auburn.

## HENRYS HOME AFTER FRESNO CONFERENCE

TAHOE CITY—Mr. and Mrs. A. M. Henry have returned home after attending a conference of Ground Observer Corps officials at Fresno.

Mrs. Henry is post supervisor and her husband is chief observer at the Tahoe City Post which they have manned for many years.

The California chairman, Mrs. Margaret Heldt, who presided at the meeting read a message from Frederic Fox, special assistant to President Eisenhower, expressing best wishes from the White House.

Many speakers pointed out the valuable work of the observers, who receive too little recognition for their efforts. The Henrys, for instance, have devoted countless hours to the job and while they have won national recognition for their work, they have received very little aid.

There were 15 bids made for the conference next year and it was awarded to San Luis Obispo Post for May 1, 2 and 3, 1959. Monterey and Salinas bid for the 1960 conference.

## SIERRA PICNIC TO BE HELD ON JUNE 8

The 35th annual Sierra Valley picnic will be held Sunday, June 8, at the picnic area of McKinley Park in Sacramento.

All former residents of Sierra Valley, are welcome to come and renew old acquaintances. The committee in charge is desirous in obtaining the names and addresses of former residents of Sierra Valley. Anyone having information on people from this area may contact the secretary of the association, George O. Thorne, 143 45th Street, Sacramento 19. Coffee and cold drinks will be served. Every one should bring a picnic lunch and enjoy the company of old friends.

### ON HONOR ROLL

Inadvertently, the name of Roy S. Rhoades, Jr. was left off the honor roll list published last week for the high school. Rhoades, a seventh grader, was among those who received a special award for being on the honor roll three consecutive times.

ROMANTIC LANGUAGE—Elaine Turner of the Organizing Committee staff for the VIIIth Olympic Winter Games displays a Spanish language poster publicizing the 1960 event. More than 20,000 Olympic posters in five languages have been distributed to key outlets throughout the United States and the world.

### At Ranch—

Mrs. Walter Bigelow of Loomis was a guest this week at the ranch of Mr. and Mrs. W. M. Cavitt.

### In Veterans Hospital—

William Fordham was admitted to the Veterans Hospital at Reno for treatment for a back ailment, due to a war injury.

### From Capital—

E. D. Sullivan of Sacramento was a visitor here this week.

### To Colorado—

Mr. and Mrs. Gus Benjamin stopped here en route from Citrus Heights to their home at Grand Junction, Colorado, having previously sold their local property.

### From Arcata—

Charles Ed Smith of Arcata has been vacationing at the home of his parents, Mr. and Mrs. Earl Smith in Truckee.

### Ryans Move—

Mr. and Mrs. Don Ryan are moving from Palm Springs to Anaheim because of the heat and the fact that they will be close to a hospital where he has been receiving treatment. The former local couple sent greetings to their friends via the Sierra Sun.

### Returning Here—

Returning to Truckee were the J. Zimmermans, coming from Healdsburg, and Mr. and Mrs. William Ost who have been at Manhattan Beach.

The family of Mrs. C. H. Ray is occupying her home on the Truckee River.
